

Central Jersey Educational Support Professional Award

What is the Educational Support Professionals (ESP) Award program?

Educational Support Professionals (ESP) take care of our children every day and make sure they have the tools and resources to succeed in our schools and classrooms. ESP's are active members in our educational system and should receive the recognition they deserve. In addition to our successful teachers' awards program, WMGQ-FM will recognize 1 outstanding ESP to receive this award.

Who is eligible?

Nominated educational support professionals would include paraprofessionals, secretaries, bus drivers, food service workers, custodial/maintenance workers, and security personnel.

How can an ESP be considered for an award?

In order to be considered for an ESP Award, a support professional must first be nominated by a superintendent, principal, co-worker, or parent. A support professional may not nominate himself or herself. The nominating committee will not accept nominations from students. Nominations may be submitted on the Magic 98.3 website (www.magic983.com), or via mail. The nomination period will be from December 11, 2017 through March 28, 2018.

WMGQ-FM will select 1 ESP from the final nominations we receive.

We will announce the ESP winner around 9:40am on the Magic Morning Show, Friday, March 30, 2018. (Date subject to change.)

How is this program promoted?

We will promote the ESP award program on our airwaves, website, in local newspapers, within press releases, emails to schools, and a series of email blasts to our loyal listener base.

What does the winner receive?

The winning ESP will be honored at an awards banquet, receive a special gift, banquet tickets, a Class of 2018 Award, and their story will be read on stage. The awards banquet will take place on date TBA at The Pines Manor in Edison, NJ. More banquet details to follow.
